Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 16 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry, sunny and locally hot through the weekend.

This Evening and Tonight:
This evening will be dry, sunny and warm. Clear skies across much of the region overnight, with only an odd patch of cloud. Isolated mist or fog patches possible in prone rural spots, especially toward dawn. Minimum temperature 13 deg C (55 deg F).

Saturday:
Another dry day, with strong sunshine expected. Feel very warm or locally hot for much of the region, but cooler on the coast in an onshore breeze. Maximum temperature 30 deg C (86 deg F).

Outlook for Sunday to Tuesday:
Warm or very warm throughout, with an isolated risk of a shower inland. Increasingly cloudy through Monday and Tuesday, with a risk of patchy rain or drizzle on the coast.
